Alby's Salvage and Angels Auto Parts Inc submitted a letter and applications for changes to the Class II, Class III, and Scrap Licenses. Kris Larsen, owner of Alby's, is selling the business for the Class III and Scrap to Angels Auto Parts Inc. The owner of Angels has been managing the business for Mr. Larsen since they moved into the location. Mr. Larsen will be keeping his dealer license Class II. All the insurance and applications have been received along with the P&S of the business. CJ made a motion to approve the license changes as submitted. Seconded MR. **Vote: 3-0.**

As a required component of the Winnetuxet Bridge project the BOS will need to send the owners of the property located at 1 Popes Farm Road a letter along with Federal Aid Acquisition Guide for Property Owners and Easement Sketch. Highway Superintendent Rob Firlotte is the point person and is working with Craig Sheehan from MassDOT and with our Town Counsel, Jonathan Eichman. The guidewires for one of the poles will be located on their property and because this is a permanent easement the Town must go through the legal process. Rob will follow up after the letter is sent.
