

RECEIVED

Conservation Commission , Minutes, March 19, 2013

Present: Rick Burnet, Linda Leddy, John Mathias, Jeff Smith

Absent: Tim Dempsey, Ami Dion

APR 08 2013

New Business:

Jeff Smith read a letter from Jake Jacobsen resigning from the Conservation Commission, effective immediately. It was agreed that the Commission will encourage interested persons to apply for this opening. Follow-up discussion will be held at the next meeting.

George Rose's call to the Commission concerning the location of a well on Oak st property was returned by Rick Burnet.

Old Business:

Hearings:

Revised plans were received from Collins Engineering for Lot 1 – 8, Map 16, West St. Jeff Smith noted that the Commission could not deliberate on this submission since there was no quorum present. Commission member Linda Leddy is an abutter and therefore is not sitting as a voting member on this case. Neighbors Sally and Larry Picard were in attendance and submitted a letter (see March 19, attached) expressing their concerns. The Commission received it but did not discuss it or any other aspect of the proposal. The hearing was rescheduled for April 2, at 7:45 pm.

The hearing on the Montello St ABC lots was continued until April 2, at 7:48 pm, there being no quorum present since John Matthias is an abutter and is not sitting as a voting member on this case.

A bill was received from MGP for \$330 for the Montello and West St ads in the Halifax reporter. John M prepared a payment order for this amount to go to the town accountant, which was co-signed by the other commission members.

A receipt from the Town Treasurer was received, dated 2/20/13, noting that \$1215 had been received from the Commission and credited to the Conservation general account.

The meeting was adjourned by unanimous vote at 8:55 pm.
