Minutes, Conservation Commission
April 8, 2013

Members present: Rick Burnet, Tim Dempsey, Ami Dion, Linda Leddy, John Matthias
(by phone)

Members absent: Jeff Smith

The Meeting was called to order by Rick Burnet at 6:25 pm.

The sole agenda item was to review the proposed shared position and take a vote on how the Conservation Commission would like to see it structured.

The options discussed included 1) having the shared position be only for a part-time technical level Land Use Administrator serving the 4 departments 2) having two part-time positions to service the 4 departments: the Land Use Administrator and a Clerk and 3) dropping out of the Shared position proposal and pursuing an hourly clerk's position to support only Con com.

Options one and two pertain to the draft warrant article, which calls for adding \$14,000 to the currently available Building Dept funds of \$18,000. Option 3 reflects the Con com's current budget request for approximately \$2000 for an hourly clerk.

After discussion, the motion was made by LEL and seconded by AD to support Option 2- that is, having two part-time, shared positions – a Land Use Administrator and a clerk. The Land Use administrator for 20 hours a week and the clerk for 7- 8 hours per week.

The vote was 4 – 1 in favor of Option 2.

The Meeting was adjourned at 6:55 pm.

Recorded by AD and LEL.
