

Plympton Board of Library Trustees
Minutes
October 26, 2013, 11:00 am

Present: D. Batson, K. Boyles, P. Detterman, S. Vetterlein, C. Winslow

Absent: M. Boyles, T. Cosato

Meeting with Plympton Garden Club members: Peggy Gillette, Trish Campbell, Vicki Maloney

Garden Club presented and reviewed existing plans for Landscaping project. Provided a "blue print" of work to be done (including type and location of plantings) to the front and to the east side of the Library. Current plans may be updated/amended to modify some planting choices.

Time table will be removal of existing plantings to occur 10/27/13 (including salvaging of some of those items removed). New landscaping to be done in Spring of 2014. (Landscape "fabric" and possible pea-stone mulch and edging hope to be included in the project).

Garden Club will:

- *contact Robin Cotter re: the "weeping tree" to see about its memorial status
- *hope to provide some sort of visual display/flyers to put in the Library to promote donations/fund-raising for the project
- *possibly "host" a coffee hour to promote the project
- *contact Trustees about attending the December Trustees meeting to provide a project update (if the updated plans are available at that time)

Trustees will:

- *investigate the functionality of the outside spigots

Trustees VOTED to approve the first step of the Garden Club Landscaping Project--the removal of all plantings needed--on 10/27/13.

Meeting Adjourned: 11:50 am.
