

The Plympton Cultural Council

Plympton Town House, 5 Palmer Road, Plympton, MA 02367

The Plympton Cultural Council provides grants for projects which culturally benefit the residents of Plympton, MA. Special consideration is given to projects which address the needs of underserved groups, such as children and seniors. Each town and city in the State of Massachusetts has a cultural council with a minimum of five members. Grant funding is accomplished through the Massachusetts Cultural Council, a MA State agency. Grant proposals are due to the Plympton Cultural Council by October 15 in the year prior to the project being done. Please go to www.massculturalcouncil.org for an application and further information.

Every three years, each council must receive public input as to the needs and desires of the residents it serves. The following is the questionnaire developed by the Plympton Cultural Council for 2007. Please return the completed questionnaire to the Plympton Public Library or to the Plympton Cultural Council, Plympton Town House, 5 Palmer Road, Plympton, MA 02367 by May 30, 2007. We will be scheduling a public meeting to discuss the results of this survey.

1. Are you familiar with the Plympton Cultural Council? Circle one: Yes No
