

REPORT OF THE PLYMPTON HISTORIC DISTRICT COMMISSION

The Plympton Historic District Commission reviewed one application for a change (a lean-to addition to a barn) within the Harrub's Corner Historic district in 2002. The property owner worked with the commission to ensure that the proposed addition would conform to district guidelines and have no detrimental impact on the aesthetic and historic character of the district. The commission issued a certificate of appropriateness that was forwarded to the building inspector, allowing issuance of a building permit.
