

Plympton Recreation Commission Meeting

Meeting Minutes: Monday, November 14, 2022

Meeting Attended By: Erik Player, Jeff Haas, Angelo Boccalini, Katrina Player, Mark Reilly, Rob (Highway Dept)

Call to order at 6:30pm, meeting took place in the Deborah Sampson room in the Town Hall

Public Input:

Rob from the Highway Dept attended to offer information about scope of work for Highway Dept – they can offer assistance with field maintenance (cutting of the grass) but does not think they can contribute with repairs to any buildings such as dugouts, snack shacks, etc. Mark asked if the Highway Dept can spread fertilizer, grass seed, aerate field. Rob reported he does not have the equipment to drag infields on ball fields, or spread any material or aerate, not sure he has the manpower either to have someone do it once a week.

Rob stated a new machine for maintenance would run about 65k, various attachments can be purchased for an additional 10k-12k
