<b>BOH MEETING MINUTES</b>	<b>PAGE 3</b>	<b>9/13/2016</b>
71 Ring Road M8-B2-L5	Jack O'Leary. High sodium content in well reports near him	BOH researched sodium levels on Ring Road. Chair spoke with
		owner this week. Water softening system will raise sodium.
		BOH has asked for water reports on new
		wells that are being drilled currently on that street.
		Representative from DEP stated that sodium level of 65 was not
		concerning. A reading of 100 means that anyone with salt
		restrictions, etc. should notify their physician, definitely
		notify physician if level is over 200. Private well owners are
		responsible for the quality of their drinking water. Will send
		letter with all information to owner.
<b>MAIL &amp; EDUCATIONAL OFFERINGS</b>		Reviewed.
