

## **BOARD OF SELECTMEN MINUTES**

May 8, 2023

Deborah Sampson Meeting Room

Town of Plympton

### **Meeting called to order:**

- Meeting called to order at 5:45 PM and immediately went to Executive Session. Purpose 6

- 

### **In Attendance:**

- Board of Selectmen (BOS): Christine M. Joy (CJ), John A. Traynor, Jr. (JT), Mark E. Russo (MR), and Selectmen's Assistant Briggette Martins (SA) joined the Open Session Meeting

### **Updates & Discussions**

The BOS, Board of Health Representatives Cathy Ferguson and Brad Cronin, and Town Properties Chair Jon Wilhelmsen, discussed the well and the Transient Non-Community Public Water Supply for the Town Campus Buildings. TA is working with Cathy Ferguson regarding the Town House to be a certified public water supply at 5 Palmer Road. The Department of Environmental Protection is working on a siting plan for the new well(s). CJ made a motion to approve the contract between the Town and Serian Company, Inc. for the Certified Drinking Water Operator Services for Plympton Town Campus at 5 Palmer Road that would also include the library. Seconded MR. **vote: 3-0.**

The current well located in the basement of the Town House is insufficient. A surveyor along with a water supply engineer will be required to look at all the properties involved. This would include the library and highway buildings that are currently listed with a non-documented well. Cathy Ferguson will schedule a meeting between the Board of Health, Town Properties Committee, DEP, Dan Pallotta and Rebecca Ducharme of P3, and Geologist and Civil Engineer Peter Dillon to discuss the current study/survey and what steps are needed to move forward.

### **Regional Agreement**

Jon Wilhelmsen, Chair of the Plympton School Committee updated the BOS on the amendments made to the Regional Agreement with Silver Lake.

### **Old Town House Roof**
