Re: Ball field signage proposal

Adam Bailey and Dan Shannon met with us last evening to discuss the ball field advertising signage proposal. After reviewing their detailed proposal and discussing with both Adam and Dan, the Historical Commission voted unanimously to support the proposal. It was felt by the Commission that the proposed use of advertising signage would not have a detrimental impact on the historical character of the Plympton Center area.

We greatly appreciate the referral of this proposal to our attention and applaud the hard work and ingenuity of the Recreation Commission and PAYS. We look forward to an exciting and rewarding baseball season for the kids and the Town as a whole.

Best Regards,

Jon K. Wilhelmsen, Chair
