ELIGIBILITY FOR NATIONAL REGISTER LISTING

TO: Jon Wilhelmsen, Plympton Historical Commission

FROM: Massachusetts Historical Commission

DATE: December 15, 2006

The Massachusetts Historical Commission is pleased to inform you that the following property(ies) has been voted eligible for inclusion in the National Register of Historic Places (36 CFR 60) by the Commission acting as the State Review Board. By law, a property is afforded protection from adverse effect caused by Federally funded, licensed or assisted projects when it has been voted eligible for inclusion in the National Register. The nomination form will now be submitted to the National Register Office, National Park Service in Washington, D.C. for final review. If the National Register Office lists the property or determines it eligible for listing in the National Register, it will automatically be included in the Massachusetts State Register of Historic Places (950 CMR 71). The State Register parallels the National Register in providing protection from State actions. For more information, you may wish to refer to your original notification letter or contact the Commission's National Register staff. When we have received the determination of the National Register Office you will be advised.
