"Christ is the Resurrection and the life,
 All those that believe in him, though they are dead,
 Yet shall they live again."

"Here interred my mortal body must remain and rest till called by God to life again. Now let my Spirit join to praise my Maker, who reigns above. Now fashioned to celebrate the Redeemer's love. And join in Angelic song and sing hymns of praise to my Savior and King. Life here on earth is but a span. Oh, how frail a thing is mortal man. Rejoice mighty God in this cold heart of mine. Inspire my soul, subject my will to things that are Divine. Now and ever may my soul thy salvation see. Give thanks to Him who still remembers me. And now like Jacob's pillar, this shall be a standing witness twixt God and me."
