

Plympton Public Safety  
Building Committee

# Meeting Summary - 05/11/16

- Meeting called to order at 6:06pm. Members present Nancy Butler, Jake Jacobson, Colleen Thompson, Harry Weikel and Jon Wilhelmsen. Members not present: Bob Karling and Art Morin. Advisors present: Patrick Dillon. Residents present: Ross McPhearson, and Mark Russo.
- Minutes were accepted as written on the motion of NB, second HW. 5-0-0
- Discussion regarding Article 36. CT and JW reviewed changes to the article that were designed to make sure it is broad enough to allow the Committee to develop the necessary plans & draft RFPs, etc. Language was reviewed with town counsel. CT will develop speaking points to summarize the project and reasons for the article - as well as for Article 35 (land article). Decided there was little value of having plans or drawings available. Other members will add comments as needed and/or necessary.
- Discussion regarding Article 22. CT requested that we take a vote on the article. JJ suggested that we should ask for the money to build it as well. JW questioned whether it was premature and that we need to have specific numbers for a project this size. Ross McPherson noted that having a prescribed limit encourages one to spend to that amount rather than having a budget set ahead of time. JJ noted that some clearing of the wooded area could be cut ahead of time. On the motion of CT, second NB: the Committee will not support article 22 and that those who are putting forth the petition should not speaking for the Committee. Vote: 5-0-0
- Next meeting tentatively scheduled for June 1, 2016 @ 6pm.
- Meeting adjourned at 6:38 pm on the motion of NB, second JJ. Vote: 5-0-0
