**Warren J. Borsari, Chief of Department**

October 3, 2017

The Plympton Local Emergency Planning Committee, 3 Palmer Rd. Plympton, pursuant to the Emergency Planning and Community Right-to-know Act of 1986, has available for public review copies of the Plympton integrated Hazardous Materials Response Plan, the Hazardous Materials Chemical Inventory (Tier II) Reports and the Material Safety Data Sheets (MSDS). They are available for inspection at the Plympton Fire Station and are available by appointment with Chief Warren Borsari. The Plympton Local Emergency Planning Committee will meet October 16, 2017 at 1pm at Sysco-Boson, 99 Spring St. Plympton Ma. 02367, for a table-top haz-mat exercise. Participation and input from town boards and committees is imperative for the success of the Emergency Action Plan during this exercise. It is requested that every attempt is made to attend this exercise. If you have any questions please contact Chief Borsari 781-585-2633.
