NOTICE OF TAX CLASSIFICATION HEARING

A public hearing on tax classification will be held Monday, November 19, 2018 at 6:30 p.m. in the Selectmen's meeting room at the Town House.

The open meeting hearing will focus on the local property tax burden among the five property classes: residential; open space; commercial; industrial and personal property for Fiscal Year 2019. The public hearing requires a vote by the Board of Selectmen for allocation of property tax classification. The local policy decision regarding any shift of property tax burden from one class to another is made exclusively by the Board of Selectmen.

The hearing will give taxpayers an opportunity to present their views as to whether residential, open space, commercial, industrial and personal property should all be taxed at the same or different rates. The Board of Assessors will provide supporting data relevant to the fiscal effects of available alternatives.

Selectmen will also be required to vote on the small commercial business exemption. Such an option, if voted, would reduce the property taxes on properties occupied by small businesses and shift those taxes onto commercial and industrial properties.

After the hearing the Board of Assessors will submit the recap sheet to the Massachusetts Department of Revenue for approval of the tax rate for Fiscal Year 2019.
