PLYMPTON

Present: Colleen Thompson, Mark Russo

Absent: Christine Joy

The meeting opened at 6:05 p.m. The Board of Selectmen participated in the Public Safety Building Committee (PSBC) meeting. The BOS meeting was posted for that purpose only although, some slight discussion took place regarding putting the Consultant money on the BOS agenda for Monday. Specifically, how do we handle the unused \$25k consultant funds from the 2015 Town Meeting?

See the minutes for the PSBC meeting for further information.

The BOS adjourned their meeting at the same time as the PSBC at 6:30 p.m.
