

## **Minutes, Plympton Conservation Commission, May 5, 2015**

Members: attending- Jeff Smith, Rick Burnet, Tim Dempsey, Linda Leddy; Absent- Ami Dion

Chairman Jeff Smith opened the meeting at 7:30 pm.

### **Old Business:**

12 Granville Baker – brief discussion- Con com did site visit and could see no issues that would prevent issuing an RDA

Rick B moved that “The Conservation Commission has determined that a negative 3 determination applies for this proposal”, ( ie it is not subject to the jurisdiction of the Wetlands Act)L Leddy seconded and the motion was unanimously approved.

The Con Com will issue a Determination of Applicability for this application, so indicating the above finding. The Con Com also signed the building permit application for this project.

Dennett’s Pond Dam- Received copy of Dam Safety Permit from DCR # 58-2015-58, under Mass General Law 253. Permit is based on revised dam design as presented to DCR and Plympton Conservation Commission. Also received updated engineering report from Gary James, engineer –“Dennett’s Pond Dam Removal report” Feb 16, 2015. The report includes the flow calculations and downstream impacts that the Conservation Commission requested and approved.

John Mathias made the motion “to issue the Order of Conditions for the Dennett’s Pond Dam”.Seconded by Rick Burnet, and approved unanimously, and signed immediately.

Review of minutes for past meetings- Minutes for meetings of 2/17, 3/3,3/17,3/21,4/7, and 4/21 were reviewed and approved as written. Rick B made motion to accept, John M seconded, unanimously approved

### **New Business:**

Building Permit reviews:

176 County Road – to install new farmers porch. No wetlands nearby. Rick B moved to accept, Tim Dempsey seconded, unanimously approved

11 Cushman’s Landing- conversion of existing deck to a porch; Rick B made motion to accept, John M seconded, unanimously approved

21 Forest – replace a house barn that collapsed –Rick B made motion to accept, Tim D seconded, unanimously approved
