5:00PM Call to order			
Kimberly Russo--		Requests despecifying dates of restraurant being open. Instead of Fri,Sat,Sun wants to be able to open any day of the week (ie: Mon. thru Sun.) Application of Zoning Officer specify.	BOH permits do not stipulate which days only the season. Board has no issues and signed off.
OLD: Review Fee Schedule		Comparison Town Fee Schedules: Halifax, Duxbury,Carver, Plymouth, Duxbury, Pembroke	Review to be continued next meeting when C. Drinan is here.
		Much discussion.	
82 Center St. VOC water test		Jack spoke with owner and he agreed to have a VOC water test. C. Drinan spoke with Mr. Whitehead of the DEP and he said if the VOC was OK than just keep a watch for any vehicles that may be leaking.	Waiting for report.
65 County Road- Revised Plans		Revised Plans for Septic Repair. Variances to be reviewed	Plan and 8 variances approved. Plan stamped Permit # 1112 to be given when variances are paid for.

BOH Meeting Minutes page 2		2/4/2014
91 Upland Road-Conflicting T5 Reports	Owner in to discuss problems with T5 Inspection Reports. Agrees to proceed with plans for repairing the system.	Board considers T5 Inspection as a failed system and a system repair is necessary
Desk and 3 File cabinets-BOH Office	Found on Craigs list, located in Kingston, MA Desk is \$50 and File cabinets \$100 for the three.	Jack and Art to go Thurs to view and if O K will purchase
NEW		
CPC update on thoughts for	CPC to possibly do survey of the wetlands. Looking into possible uses for property	Septic System replaced in 2000 and is for 4 bedrooms
59 Parsonage Rd.		
Calter--Over the counter drugs	Over the counter purchase of addicting drugs (including synthetic drugs) banned by several towns including Middleboro. Regulation wording already vetted .	Board to review and consider passing the same regulation.
Cranberry Knoll	Frequently run out of water. New Well Driller viewing and to offer solutions. Discoveries made Cistern for Fire Use some how has been tapped into to water common green. Pumps removed by Fire Department upon inspection. All other watering of lawns is done by individual homes (thereby using water supposed to be household use.) Driller discovered two other wells on the property not connected to anything. To do further checking for possible use for watering lawns saving household well water.	Board to be kept up to date on the project.
Finance Committee Meeting	Budget Request	Board to attend. Signed up for 3/10/14, 7:30P

Board of Health Minutes page 3		2/4/2014
