Posters to be displayed to public and workers in kitchen.

NEW:

63 Cedar Street

New septic system installation started without permit, without a copy of the Approved Septic Plan,

and without the installer having a permit to work in this town. Explanations and excuses were

BOH Meeting Minutes page 2		4/15/2014
continued---	offered by both the owner Rick Springer and Installer, Kevin Sealund.	No excuses acceptable. Both are to be fined. And the system
		is to remain in it's present state until Cathy Drinan, HO and a
		representative for Webby Engineering Associates, Inc can
		inspect the system and compare it to the Approved Plan for
		correctness. All fees, Permit to install and Installers Permit
		are doubled as per our fee schedule. Installer must also take
		and pass a test to qualify for an Installer's Permit.
Russo, Kimberly	Requesting Regular Food Permit for 12 Months for Just Right Farm. Discussion followed	Written clarification from DEP states she may serve up to 59
	Board of Health cannot give a Food Permit in an Agricultural/Residential Zone. A Regular	days but if she goes to 60 days she must become a Public
	restaurant is a business and must be located in a Business Zone. More discussion. An	Water Supply and be permitted by DEP.
	Agritourism/Farm Restaurant is not a regular restaurant and a permit for such may be given.	MAHB lawyer Cheryl Sbarra JD will be contacted to
	Ms Russo has submitted an Application for a 12 month Permit but with the stipulation of a	clarify as to being permitted for 12 months and still come
	maximum of 59 days. She understands that if she goes over the 59 days she must apply to the	under the Right to Farm Law---an Agritourism/Farm Rest-
	DEP for a Public Water Supply Permit.	aurant.
Montello Street Carver/Plympton	Possible contaminated chemical dump site rumored to be in consideration for land adjoining	Clarified---Carver states that the owner is considering a solar
	Plympton land on Montello Street	installation on that parcel of land
Fee Schedule	More changes ---Motion made to change the following: " Work Started without Permits will be	Seconded and Voted Unanimous
	Double All Fees and a \$1000 Fine"
