59 Parsonage continued	<p>John Henry has filed a Freedom of Information Act Request---  for all information, documents, emails etc involving the  59 Parsonage Rd Property from the BOS, CPC, &amp; Open Space  Committee and any dollar amounts spent and for what.  Cathleen Drinan mentioned the act of 'Receivership' to get the  property cleaned up. A contractor uses own \$ to repair and clean up  the property and when sold the contractor gets paid first, then the  Taxes owed get paid next and the remainder is the sale of property  amount. Perhaps if this is in a dead-lock, the parties might  consider this route.</p>	
Tobacco Regulations Draft	<p>Reviewed and changed or revised initial draft.</p>	<p>To continue revision at next meeting. If questions  appear prior to completion, Kathy Wilbur, Program  Manager from Seven Hills Behavioral Health, will  attend the meeting to answer them.</p>
