TOWN CLERK'S OFFICE  
PLYMPTON

The Council on Aging met at the Town House on January 9, 2014 at 9:15 am with Chris Maiorano presiding. The minutes of the last meeting were read and accepted.

Pat Mustacaros reported that Old Colony Elder Services did not meet in December and she has nothing to report to the Council.

Dot Cushman reported that the Senior Club will meet at the Fireside Restaurant in Middleboro on February 12 at 12:30 pm.

Jean Langley reported that everything is good at Woodlands.

Chris Maiorano reviewed the plans for the senior luncheon to be held on April 14 from 12:30 – 2:30 pm at PHS. Chris stated that we should be hearing about the Helping Hand Mini Grant in February. We do need to continue to reach out to seniors who may need our help. We need people willing to help people shovel their door to driveway.

Free Fire Safety Equipment for deaf and severely hard of hearing grant expired on 12/31/13; however, the MDPH may have equipment if needed.

Transportation issues are improving as Tricia tightens her schedule. A letter was sent to her clients explaining the situation and asking for understanding.

Treasurer's Report: Town: \$5,247.60; Handy: \$2,686.00.

Meeting adjourned at 10:30 am.

Respectfully submitted,

Evelyn Hannigan
