45 Elm Street M17-B1-L13	Revised Septic Plan for NEW house for Approval	Plan Approved. Permit #1127 signed. To be issued when Installer signs Application.
Letter to be Drafted to all Boards	All boards should be on the same page. Certificate of Occupancy should not be given until all boards have seen and approved any and all changes to plans.	Art to draft a letter for next meeting.
Building Department Applications		
352 Main Street	Bath remodeling.	No problems seen with this board. Application signed
6 Cross Street	building found in woods behind Uninhabitable house. Contains kitchenette and bathroom with pipe going down into ground.	
Brook Retreat	Looking for information---Septic system is for 6 bedroom --new occupants plan on 18 people If extended care facility then comes under state DPH for some regulations. Using East Bay Grill for catering at their Fund Raising If they are expecting more than 250 people it constitutes a Large Event and needs a Permit	State determines 2 people per bedroom therefore ok for 12 persons. Otherwise will need to upgrade/increase size of septic system. East Bay does have Plymouth Permits Still questionable as to location of the event.
Billingsgate Farm Large Event Permit	Papers presented as Application for LEP for 2014 Corn Maze --Check list not used but all information has been included.	Application Accepted and Permit # LEP-14-001 signed
Future Agenda	Review: Title 5 Regulations ---- Do all revisions with back up reasons and then schedule a hearing. Tobacco Regulations ---- Do all revisions with backup -- ??hearing needed?? Or Notice
