

TOWN OF PLYMPTON
REQUEST FOR QUOTES
FIBER OPTIC NETWORK – INTERNET SERVICE

SPECIFICATION INFORMATION

The Town of Plympton is soliciting written quotations pursuant to M.G.L. c.30B, to acquire fiber optic-based internet service for the Town of Plympton's municipal buildings, specifically including the Police Station, Fire Station, Town House, Highway Department and Public Library.

The Town is seeking internet services from a provider who can connect the Town's municipal buildings into a fiber optic loop in order to promote a high level of reliability and redundancy and requires said network to be 100% fiber.

For security purposes, the Town requires dedicated circuits and will require an additional dedicated 10 Mbps CJIS circuit for the Police Station building.

Written quotes should specify the following:

- Monthly amount in dollars for symmetrical internet service of at least 100 Mbps, that is able to be allocated amongst the Town's municipal buildings noted above;
- Monthly amount for additional dedicated 10 Mbps CJIS circuit for the Police Station building;
- Any additional Internet Provider fees;
- Use/Rental of any necessary hardware; and
- Required cost for connecting the Town's municipal buildings to said service.

Please note that the Town of Plympton will be the sole Owner of said fiber optic network, once connected, with the successful service provider supplying the Town with fiber optic-based internet service as outlined above.

Written quotations must be submitted before 11:00 a.m. on October 7, 2019 to the Plympton Town House, Attn: Selectmen's Office, 5 Palmer Road, Plympton, MA 02367 and the outer envelope must clearly be marked with the words "**FIBER OPTIC INTERNET SERVICE**". A Non-Collusion Certificate must be included with written quotations.

The Town reserves the right to cancel the Request for Quotes and/or to reject any and all proposals/quotes.
